Dearest Bobby & mother:

I received 2 letters from you today, and was very glad to hear from you. I sent to you today my Certificate for crossing the equator. Put it in a frame, will ya.

Way to you tell me that Stanley was very sick. I never he got killed. Was he your Polio scare from us? I know you wouldn't go to Chicago if he was only sick. I heard about it while you were in Chicago. So please write and tell me all about the accident. What was it? I thought it was Bobby Shand, because Stanley was going to ASTP at Harvard. Alright, please tell me all about it.

When did you get my Cobleigram and first letter? Let me know!

Love,
Harold
